Miami Firefighters Federal Credit Union is pleased to announce our free\* Mobile phone banking service. Now you can use your web-enabled cell phone, smart phone or PDA device to:

- check your balance
- view your transaction history
- make transfers
- pay your bills safely and securely
- check rates on loans, certificates and money markets
- locate the closest ATM
- find the nearest Shared Branch facility
- get account information on your credit union Visa card
- contact us

It's easy, fast and convenient. Just go to [www.mffcu.mobi](http://www.mffcu.mobi) on your phone's web browser and you can get started with Mobile Banking.

### **Text Messaging Also Available**

Would you prefer to receive a credit union **text message** instead? You simply dial a toll-free number, enter a pre-set PIN you select and have your account balances and/or the last three transactions sent to you via a text message to your cell phone. Internet access is not required for this service.

*To try out an interactive demo, register your cell phone for text messaging and learn more, visit our web-site at [www.mffcu.org](http://www.mffcu.org) and click on Mobile Banking.*
