

CONGRATULATIONS, SPRINKLES!

September 2009 Dog of the Month

Hi,

My name is Sprinkles, and I am a Weimaraner. I am 3 years old but I act like I am still a puppy. My Dad got me when I was 8 weeks old, I was a cute puppy (and smart) that's why he got me. My brother went with him to get me. When we got home, with my special towel, I got to meet my sister and my Mom.

I love car rides, swimming in the lake, and tackling my brother.
I love finding birds for my dad to shoot.

My fur is short, soft and silky. I also have 2 cats, Lilly and Simon.
I LOVE Chasing them! My motto is: If it moves, chase it! (Except the black and white kitties with the big tails). BAD IDEA! (My dad tried to warn me).
I also have an older dog sister named Mucky, she is a yellow lab.
Sometimes, she is not very patient with me and I don't blame her.

It is such an honor to be chosen. I am a very lucky little girl. Thanks for choosing me for dog of the month.

Love,
Sprinkles
