Winter 2009

## Credit Union Scholarships Available

The 2009-2010 scholarship applications are now available thru the Family Involvement Council. The FIC is offering two \$1,000 scholarships and eighteen \$500 scholarships to 20 credit union members throughout Minnesota. Any individual attending a college or university, graduate or law school, 2- or 4-year program or community or technical college in the fall of 2009/spring 2010 is eligible.

Those interested in applying need to complete a one-page application form and submit a typed essay (up to 500 words in length) answering the question "Financial education is a high school graduation requirement in several other states. Explain the pros and cons of Minnesota doing the same." Applicants are encouraged to research the topic using any sources available. The scholarship deadline is Monday, February 2, 2009. The 20 scholarship recipients will be selected and announced in the spring of 2009.

**HURRY!**

## New "Academic Teens" program

To encourage our students 51348 to do well in school, Minnco Credit Union is excited to offer a chance for our members to show off their success. And with the first half of the school year just about over, this is a great opportunity to check those grades. This is how it works... For each "A" you show us, you will get an entry into our special "Academic Teens" drawing held twice a year just for our "Teen Quest" members. That means the more "A's" you earn, the better your chances are of winning. Our first drawing will be for an iPod and will be held on February 27, 2009. One winner per drawing.

**Interesting Fact:**  
In 2007, 1715 children from  
Anoka, Chisago and Isanti  
counties visited a Gillette  
Children's facility 7251 times.  
As you can tell from these large  
numbers, every dollar we raise  
has a huge impact on children  
from our own community!!
