June 1, 2009 E-Mail/Phone Fraud Warning

The MCCU name is being used without our knowledge or consent in a "phishing" scheme to acquire sensitive information from unsuspecting consumers.

The scheme involves a phone call claiming that fraudulent activity has occurred on the holder's card and asks the individual for their card number, expiration date and PIN.

Do NOT give out such information under these circumstances.

MCCU does NOT make calls soliciting this information unless the card holder has contacted us first and we are responding to an inquiry from the holder. Receiving such a phone call is a matter of chance, and it does not mean any data has been compromised.

If you receive a suspicious phone call regarding your card accounts, please contact us immediately either through our website (in the top right corner of the home page) or by calling 218-625-8500 or 1-800-296-8871. Thank you.
