MCCU's Anderson receives CMA designation

Mary Anderson of Members Cooperative Credit Union has received the Certified Management Accountant (CMA) designation from the Institute of Certified Management Accountants (ICMA).

Accountants who earn the CMA designation have displayed proficiency in many facets of accounting and financial management. This proficiency is demonstrated by completing a nationwide comprehensive examination on accounting and related subjects, meeting a two-year management accounting experience requirement, and agreeing to comply with the Standards of Ethical Conduct for Management Accountants.

CMA honorees demonstrate knowledge, comprehension, application, analysis, synthesis and evaluation abilities in the areas of business analysis, management accounting and reporting, strategic management and business applications.

"We're very proud of Mary and the hard work she has completed to attain this important designation," said MCCU President/CEO Tammy Heikkinen. "CMA honorees are an elite group of professionals who add a whole different facet to our operations through their advanced knowledge, skills, and commitment to learning."

Anderson, of Holyoke, was hired by MCCU in 2007.
