

We're proud to announce that our Spirit Valley location (215 N. 40th Avenue West) is now a Credit Union Service Center.

What does that mean?

Credit union service centers are "shared branches," meaning members of credit unions all over the country can now do their financial business at our Spirit Valley office.

That means they can do:

- Deposits
- Withdrawals
- Loan Payments
- Make transfers between accounts
- Purchase money orders, travelers checks and official checks
- And more!
- All they need is their account number, the credit union name, and a valid government-issued photo identification, i.e., State Driver's license, US Passport.

If you have friends coming from out of town, they could do their financial business at our Spirit Valley branch if their credit union belongs to the service center network.

Also, as a Members Cooperative member, you have access to service centers around the country.

To find out where these service centers are or for more information, call our Contact Center at 218.625.8500, or, to learn online, go to www.cuservicecenter.com.
