

New Program Rewards Members For Using Their CCU Check Card

CCU is pleased to introduce an exciting new program which allows members to earn rewards simply for using their CCU Check Card.

Points2U is a program that rewards you for everyday purchases. For every two dollars spent on eligible purchases made with your CCU Check Card, you earn one point. If you don't have a CCU Check Card yet now is the perfect time to apply. Points are redeemable for a huge selection of rewards:

Merchandise • Gift Cards • Travel • Internet Shopping

Points can be redeemed anytime via the CCU website or by calling the Points2U rewards center. Reward points are tabulated monthly and are good for three years from the date earned.

Members who already have a CCU Check Card have been earning points since July 1, 2009. If you sign up to receive monthly reward eStatements you'll receive 200 bonus points and 200 additional points will be awarded for registering for on-line rewards account access. Information about this exciting new program was mailed to existing CCU Check Card members in mid-August.

CCU Check Cards are a convenient way to make purchases, they are FREE and can be used anywhere that accepts Visa. If you don't already have a CCU Check Card visit www.ccuwausau.com for an application or call or visit a CCU membership services representative.
