

Top Dividends on Money Market Savings

If you typically maintain a larger balance in your savings, perhaps you should consider a CCU Money Market Savings account. This tiered account pays higher dividends on savings while you have the peace-of-mind knowing you retain easy access to your money. In a recent rate comparison of local financials, CCU paid the highest dividend rate in our area on Money Market Savings! A minimum deposit of \$2,000 is required to earn dividends and the larger your balance the higher the rate. For more information on the BIG Difference Benefits of a CCU Money Market Savings account, stop in or call one of our friendly member service representatives.

MONEY MARKET SAVINGS COMPARISON				
	\$2,000	\$10,000	\$25,000	\$75,000
Cloverbelt Credit Union	1.40% apy*	1.65% apy	1.75% apy	1.95% apy
