E&A Credit Union Mural Contest Begins

1/22/2010

The contest between seven
Cros-Lex High School art
students is heating up at the

E&A Credit Union Croswell location. Each student painted a mural representing one of E&A Credit Union's products and services. The murals are now on display on the outside of the branch allowing the whole community to see the incredible talent of the students. The public can vote for their favorite mural at the Croswell branch, voting runs through the end of February. The two students with the most number of votes will each receive a \$500 scholarship. "All of the students should be very proud of what they have accomplished. They have all been working so hard on their pieces since early Fall and the results are just outstanding," commented Jan Rose, CEO/President of E&A Credit Union.

E&A Credit Union is the largest not-for-profit financial institution in the Blue Water Area.
