Happy Birthday Gus and Gulf States Credit Union!

My family have been faithful members of Gulf States for many years now and can't imagine banking anywhere else. In this age of impersonal customer service, Gulf States is a rare gem. You get to talk to a real person when you call, the employees know you when you walk in and everyone is ready to help when you need it. Here's wishing Gus and Gulf States many more years of good business!

David and Carolyn W

Happy Birthday Gus and may God bless you with many more.

Happy Birthday!

Happy Birthday Gus!
Even though I'm now 1,500 miles away, I still feel part of the Gulf States Credit Union family! You guys know how to make banking a pleasure. While I can no longer walk into the building, I still stay in touch via phone and internet. After all these years, I can still depend on you to treat me with friendly respect and to get the job done. You are my number one banking institution and I love you because you're not a bank but a credit union. Best birthday wishes from snowy Minnesota!

Hoping you have a terrific 50th birthday!!!
I love Gulf States Credit Union because the people are friendly and helpful. I also feel like my money is secure because it is not being invested in risky investments. Thank you for all the great service during my 20 years of membership.

Happy Birthday Gus!
Gulf States Credit Union is special to me, as my dad worked for FL Gas Co., when the credit union was begun. He was one of the "original" members of the credit union and also opened an account for me at that time, hard to believe it's been 50 years.

Happy Birthday Gus

Happy Birthday Gus!
50 years old is quite an accomplishment. It's also an accomplishment that I've been with Gulf States for 20 years myself, and proud of it. I love the accessibility of a mega bank with the personal care of our small branch. I feel like family when I walk in and everyone knows my name. I'm not just a number like the mega banks. I wouldn't bank anywhere else.

Thank you Gus and Happy Birthday

It's your birthday my seagull friend =)!!! I wish you a VERY HAPPY B'DAY filled with lots of fish =)!!!

Why I like Gulf States: I'm young so it's nice to have a bank where you don't need a lot of money to make a savings account, and the people that work with you are really nice!
Again I wish you the best birthday EVER and MANY more to come =)!!!
Timothy
