

SUMMER SAVINGS PLAN

Don't let the whole summer go by without stopping in to the Credit Union to save some money!

Summer can be an expensive time. There are water parks, the beach, movies, ball games, vacations. The list goes on and on.

Be sure to stop in and put some money in your Savings Account every two weeks over the summer. Think about it: If you come every two weeks all summer and deposit \$20, you'll have \$100 by the end of summer!

Sit down with an adult and discuss your savings goal for this summer. Have some fun. Treat yourself to some good times. But be sure to save, too!
