

# Skip your loan payment this Summer!

It's SUMMER! Time to get outdoors, relax and enjoy the warm weather. Put some additional cash in your pocket and SKIP YOUR LOAN payment. Use the extra money to take a weekend trip, purchase a new toy, or start your back-to-school shopping. The choice is yours. Complete this form and return (either in person, mail or fax to 800-223-8731) the below application to us and we'll take care of the rest.

This program allows you to skip one month's payment (the first two bi-weekly payments or the first four weekly payments) for a low fee of \$30 per eligible loan. We will deduct the \$30 fee, per loan, from your savings or checking account, or we can add the fee to your loan balance. If you normally make your loan payment by check, simply send the \$30 fee instead of the loan payment. If paying by Direct Deposit or Payroll Deduction, the money will be transferred to your savings or checking account and will be available for immediate withdrawal.

### Let the FUN begin!

Skip-A-Payment offer is limited to only one month per eligible loan. Loans not eligible include SRC Dell Computer Loans, SRC Military and SRC Tuition Reimbursement Loans, First and Second Mortgages, Home Equity Line of Credit Loans, and Salary Advance Line of Credit Loans. The monthly advance and service fee will extend the maturity date of your loan. Credit Life Insurance, disability Insurance or GAP Waiver coverage will only cover the original term of contract; extensions will not be covered. Interest will accrue on the unpaid balance during the month you skip your payment, and when payments resume, the unpaid interest will be collected first. Loans must be current. If you use a coupon book, please move the coupon for the month you skipped to the back of the book. Standard Register Federal Credit Union reserves the right to refuse any skip-a-payment request.
