In accordance with Section 326 of the U.S.A. Patriot Act, HEFCU is required to obtain a copy of documents identifying our members to help the government fight the funding of terrorism and money laundering activities. Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. **What this means for you:** when you open an account, we will ask for your name, address, date of birth, Social Security number, driver's license number and other information that will allow us to identify you. To verify this information, we may obtain information from third parties such as credit reporting agencies. You will be required to provide a copy of your valid Social Security Number card with your Membership Application. Failure to do so will result in a restriction on access to your funds and possible closing of your account.

CERTIFICATION AS TO TAXPAYER IDENTIFICATION NUMBER AND BACKUP WITHHOLDING: Under penalties of perjury, I, as custodian for the minor named on this form, certify that (1) The minor's Social Security number is the minor's correct Taxpayer Identification Number (or the minor is waiting for a number to be issued), and (2) The minor is not subject to backup withholding because: (a) the minor is exempt from backup withholding, or (b) the minor has not been notified by the Internal Revenue Service (IRS) that the minor is subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified the minor that the minor is no longer subject to backup withholding, and (3) The minor is a U.S. person (including a U.S. resident alien). I understand that if I do not provide a taxpayer identification number for the minor to the credit union within 60 days, the Credit Union is required to withhold 20 percent of all reportable payments thereafter made to the minor until I provide a number on the minor's behalf.
