SAC FCU CONNECTION

Your Financial Partner for Life

NEW LOOK. SAME GREAT SERVICE.

Gail DeBoer, President

for our community, and for SAC Federal Credit Union. In the spirit of change and new possibilities, I would like to take this opportunity to unveil a new and updated logo for SAC FCU.

When I assumed my role as President of SAC FCU in 2007, I understood that past success alone does not guarantee future performance.

We all know that these can be changing and challenging times, but change means opportunity. Opportunity for our members,

Being able to meet the challenges of today, while still anticipating the needs of tomorrow has been vital to our growth and achievement. Thus, the newly refurbished design of our logo reflects both the progress and development that has taken place during our rich history as your Credit Union.

Please note that the modification of our branding does not suggest any reorganization, or alteration to the excellent service you have come to expect from SAC FCU. Only our brand imagery will be changing. Signs, stationery, and collateral material will be gradually updated over the next year and press releases will be given to the media.

As we move forward with this revitalization, we know that we will have some challenges to meet, but the good news is that SAC FCU remains strong and very capable of capitalizing on these opportunities. We feel very fortunate to find successive generations of members doing their business with our Credit Union, and we look forward to many more years of serving both our members and our community. You can always depend on SAC Federal Credit Union to offer superior value and service.
