## Your Membership Matters

TTCU's Member Rewards program was developed to reward our member's loyalty and usage of products and services. Member Rewards is our way of rewarding you for making TTCU your primary financial institution. The program entitles you to free services, waived fees and reward dividends depending on your level of participation.\*\*\*

All your TTCU accounts within your member number work together to earn you extra benefits in our Rewards program. At the end of each quarter your account participation and balances

are combined together to determine your Rewards level. Each quarter, you have the opportunity to automatically move up to a higher reward level with even greater benefits.

TTCU's Rewards program has four levels of rewards based on participation; Platinum, Gold, Silver and Bronze. See the table below to learn more about the reward levels.
