Corpus Christi City Employees Credit Union to break ground on new building

(Corpus Christi, TX) --- The Board of Directors and Staff of the Corpus Christi City Employees Credit Union (CCCECU) are pleased to announce a groundbreaking ceremony of its new building located at 3131 Holly Road. The ceremony will take place on Thursday, February 28, 2008 at 11:00 am at the corner of Holly and Kostoryz Roads. The new location will serve as the main branch of the CCCECU with five drive-thru lanes, state-of-the-art amenities and featuring a unique design by local architect Davis Powell. NuWay International, Inc. is the general contractor for the project. The current location at 2140 Gollihar Road will serve as a satellite location offering the same products and services to our members that they have grown accustomed to.

“The Corpus Christi City Employees Credit Union has proudly served the Corpus Christi community for over 55 years and this new state-of-the-art building will allow us to continue that rich tradition for generations to come,” said Fred Vela, Chairman of the Board.

The Corpus Christi City Employees Credit Union is a voluntary cooperative, not-for-profit savings institution, incorporated under the Texas Credit Union Act in 1951 for the purpose of encouraging thrift among its members, creating a source of credit at a fair and reasonable rate of interest, and providing an opportunity for its members to use and control their own financial organization in order to improve their economic well being. The CCCECU offers a wide array of products and

services and has proudly served employees of the City of Corpus Christi, the Port of Corpus Christi, the Corpus Christi Regional Transportation Authority for decades and has now expanded its membership to include anyone who lives, works or attends school in Nueces County. The CCCECU offers some of the most competitive rates in the region and we invite you to experience the benefits of membership with us.

Please join us for this historic groundbreaking event as we grow with Corpus Christi.
