## Attention GEM and Senior GEM Account holders

In appreciation of your support of our premium checking account, GEM Checking, bring in or mail this coupon to our office for a Free Leather Checkbook Cover. Choose between green, light blue, burgundy or black. Please limit 1 cover per GEM Checking Account. While supplies last.

## We need your input!

Please take a few minutes to complete the survey enclosed with this newsletter. Your input will give us direction as we plan for future products and services. A special thank you goes out to Ray Saenz Banking Sales class at Del Mar College for helping us put the survey together. Ray and his class graciously volunteered to take on this task as a special class project.

Everyone who completes the survey and returns it back to our office by June 10th, 2005 will have their names entered into a drawing for 4 cash prizes, including: 3 -\$100 cash prizes and 1-\$250 grand prize. We must have your name, address, or other identifying information on the survey. You must be the primary member on the account to be eligible to win. Surveys completed and returned by non-members will not be entered into the drawing. The deadline to submit surveys is June 10th, 2005. The cash drawing will be held June 15th, 2005.

## Bridge The GAP

Members have the opportunity to save on the GAP (Guaranteed Auto Protection) product when purchasing a new or used vehicle. This affordable coverage bridges the gap between what you may owe on a vehicle and what your insurance may pay you for your vehicle if your vehicle is declared a total loss in the event of an accident or if the vehicle is stolen and not recovered.

Most of us are aware that within the first 2 or 3 years of ownership, your new vehicle will usually depreciate faster than the loan balance. A significant gap can exist between the amount of money your insurance company will pay and the amount you still owe on your automobile loan balance. Guaranteed Auto Protection coverage helps bridge the gap. Current pricing on the GAP coverages are:

New and Used Vehicles \$210  
Motorcycles \$235

Ask about the GAP program on your next vehicle purchase. If you already have a vehicle financed with us and would like to purchase GAP on an existing loan, contact our Loan Department at 855-4494 for more details.

GAP is flat cancelable within the first 60 days. Thereafter the cancellation refund is computed in accordance with program cancellation provisions. Underlying auto insurance on the vehicle must be in force and maintained to be eligible for and continue GAP coverage. Please refer to the debt cancellation agreement for complete details. Underwritten through State National Companies.
