FOR IMMEDIATE RELEASE:

CDC Federal Credit Union hosts car wash for Children's Miracle Network

ATLANTA, GA, May 1, 2007---CDC Federal Credit Union (CDC FCU) employees hosted the first annual car wash event to raise funds for Children's Miracle Network (CMN), a non-profit organization. The event, raising over \$300, will be contributed towards CDC FCU's grand total donation in 2007.

The car wash took place on Saturday, April 14 from 11 a.m. to 2 p.m. in Tucker, Georgia, and was comprised of CDC FCU associates, who volunteered not only for CMN, but as a part of the credit union's *Because We Care* community service initiative.

Each year, CDC FCU forms a new committee of staff members, to continue raising funds for CMN. In 2006, the committee set a goal to raise \$10,000 and exceeded this goal by completing monthly fundraisers. The car wash, helping to reach the 2007 goal of \$12,000, is one of many fundraisers CDC FCU associates will take part in.

"As for credit union's across the nation, CMN is our charity of choice," said Sharon Cook, Vice President of Marketing Services. "Not only do our associates embrace this year-long fundraising effort, many of them have benefited from the excellent care provided by Atlanta's Children's hospitals, creating a living testament to the importance of our continued commitment to such projects as the car wash."

Because We Care is a community-based outreach program built on the standards of growth, compassion, and empowerment. It provides opportunities for volunteers to establish and help with special projects in the North Atlanta area. CDC FCU employs 65 people and is federally insured by the National Credit Union Administration. For further information about CDC FCU, visit our web at www.cdcfcu.com.
