FOR IMMEDIATE RELEASE:

CDC Federal Credit Union ‘Invests in America’

ATLANTA, GA, February 5, 2009---CDC Federal Credit Union (CDC FCU) is pleased to announce their participation in the ‘Invest in America’ nationwide credit union campaign. As you may know, the American auto makers are motivated to sell inventory, and have helped to develop a campaign focusing around giving back to current and new members of credit unions. Currently, General Motors (GM) and Chrysler are heavily participating.

Credit unions throughout the United States have partnered with the manufacturers to help give credit union members a boost during these tough economic times. Members can save up to 4.5% off MSRP or \$1,000 cash back when purchasing a new vehicle from both auto makers. The exclusive offers will be available through March 31, 2009 with the hopes of continuation.

“For members who need a new vehicle or who are just looking for something with better gas mileage, we feel this program will offer the service CDC Federal Credit Union is accustomed to,” said Australia Hoover, Vice President of Member Services. “We are thrilled and pleased to be a participant in this nationwide campaign, and we look forward to offering our members additional incentives for their participation.”

In addition to the discounts and rebates, CDC FCU is offering a low rate of 3.90% on a 36-month auto loan for new vehicles with the ability to receive additional percentages off if the member has an active CDC FCU checking account, has more than two accounts, or uses the Auto Pay feature.

Those who live, work, worship, attend school or volunteer in portions of DeKalb, Fulton or Gwinnett Counties are now eligible for membership with CDC FCU. **For further information about the national campaign, visit www.lovemycreditunion.com.**

The credit union is a member-owned, not-for-profit financial cooperative serving over 16,000 members in the Greater Atlanta Community, and is federally insured by the National Credit Union Administration. For further information about CDC FCU, visit our Web site at www.cdcfcu.com.
