**FOR IMMEDIATE RELEASE:**

**CDC Federal Credit Union Volunteers for Church's Annual Serve Day**

ATLANTA, GA, March 24, 2009---CDC Federal Credit Union volunteers joined in on efforts of revitalizing and strengthening the Dunwoody, GA community on March 14, in partnership with the North Atlanta Church of Christ's Annual Serve Day event. This is the first year Serve Day has focused specifically on the city's projects since its establishment in 2008.

On Serve Day, North Atlanta members fan out across the community in teams to make a difference in the lives of those they serve. Members of CDC FCU joined in this effort by visiting the Cypress Court at Sandy Springs Assisted Living homes and surrounding neighborhoods. During the time spent at each site, volunteers cleaned and organized activities closets, moved large furniture, cleaned general area rooms, and cleaned street signs in surrounding neighborhoods.

"We are deeply proud of the efforts our employees have made in 2009 for the community," said Andy Anderson, Marketing Services Manager. "To see the results from various activities help groups and associations with in the community is truly an honor, and it is our hope to continue in our efforts of the credit union philosophy of *'People Helping People.'*"

Each year, the credit union sets a goal for volunteer hours, and this year, the credit union has set a goal for 1,000 service hours to the community of North Atlanta. So far, CDC FCU employees have completed more than 100 hours of service, and will complete more than 250 hours by March 31.

Because We Care is a community-based outreach program built on the standards of growth, compassion, and empowerment. Specifically, the program allows CDC FCU to help those who are in need of educational, volunteer, or financial support.

*The credit union is a member-owned, not-for-profit financial cooperative serving over 16,000 members in the Greater Atlanta Community, and is federally insured by the National Credit Union Administration.
