FOR IMMEDIATE RELEASE:

CDC Federal Credit Union Members Eligible for Tax Preparation Discounts

ATLANTA, GA, February 5, 2009---With the recent economic struggles, CDC Federal Credit Union (CDC FCU) is pleased to announce the offering of tax preparation discounts for members. CDC FCU has entered into an agreement with Turbo Tax and Jackson Hewitt to offer the exclusive discounts to members through April 15, 2009.

“In the struggle of our economy, we feel this service is a great opportunity for our members to save extra money,” said Andy Anderson, Marketing Services Manager. “Today, it seems like everyone is trying to make a dollar out of a dime and by offering our members’ discounts on services like tax preparation, we are not only serving their financial needs, but also living the ‘Credit Union Difference.’”

Members will be able to access this service online by visiting www.cdcfcu.com, as well as signing up for additional special offers through the Member Rewards program in 2009. Since the programs creation in early 2008, members have taken advantage of more beneficial products and services such as a low auto loan rate of 4.4%, a 6-month certificate account rate as high as 7.50% and grant funding for mortgage loans. In all, the program offers borrowers the opportunity to obtain lower loan rates on loans, while also offering savers a higher rate of dividend on deposits.

In addition to the tax preparation services, CDC FCU is also offering discounts on auto loans through the ‘Invest in America’ campaign as well as offering low rates on mortgages for first-time homebuyers and those looking to refinance.

Those who live, work, worship, attend school or volunteer in portions of DeKalb, Fulton or Gwinnett Counties are now eligible for membership with CDC FCU.

The credit union is a member-owned, not-for-profit financial cooperative serving over 16,000 members in the Greater Atlanta Community, and is federally insured by the National Credit Union Administration. For further information about CDC FCU, visit our Web site at www.cdcfcu.com.
