**Credit Union Members Attempt World Record**

On Thursday, July 27th, members of First Alliance, Mayo Employees Federal Credit Union and Affinity Plus Federal Credit Union attempted to break the Guinness Book World Record for the World's Largest Game of Simon Says at Mayo Field.

The current world record was set by 1,169 participants at Victoria Park, Glasgow, United Kingdom on April 22, 2006. Although we did not break the world record, 576 members and fans participated after the game. We had a great time! James Rabe of KROC led the group in a very spirited Simon Says match.

First Alliance would like to extend a great big THANK YOU to all of our members who came to Member Appreciation Night and who participated in the attempt.

## Need Help Financing your College Education? See us for a Student Loan.

First Alliance Credit Union offers Federal Family Education Loans. We will be happy to guide you through applying for federal financial aid and completing the application process for the three types of student loans available through this government-backed program.

### Loans for students

- Dependent and independent undergraduate, graduate, and professional students may qualify for both subsidized and unsubsidized Federal Stafford Loans.
- Subsidized Federal Stafford Loan. It is called a "subsidized" loan because the government pays the interest on the loan while the student's status is "in school," "grace," or "eligible deferment."
- Unsubsidized Federal Stafford Loan. On this loan, the student is solely responsible for paying the interest, but can request to have interest payments deferred.

### Loans for parents

- Federal Parental Loan for Undergraduate Students (PLUS). PLUS loans are available to parents or stepparents of dependent undergraduate students. These loans are not based on financial need, but students must go through the Free Application for Federal Student Aid (FAFSA) process before parents can receive this loan, since the parents' information is requested on the FAFSA.

For more information or to apply for a federal student loan, contact us at **507-288-0330** or **info@firstalliancecu.com**. We will be happy to guide you through the process and assist with the paperwork.
