T.J. Maxx Credit Card Fraud May Affect Members

The announcement by TJX Companies Inc. that some customer information had been compromised due to an unauthorized intrusion into its computer systems, involving credit card, debit card, check, and merchandise return transactions may directly affect members who conducted business with T.J. Maxx, Marshalls, HomeGoods and A.J. Wright stores in the U.S. and Puerto Rico, and Winners and HomeSense stores in Canada. It may also involve customers of Bob's stores in the U.S. and T.K. Maxx stores in the U.K. and Ireland.

Although this and all Financial institutions and Card Issuers throughout the U.S. have been notified and are monitoring the situation for their cardholders, we want to take this opportunity to specifically address the situation for our members.

If you have questions regarding your transactions, you can call TJX's special helpline toll-free at 866-484-6978 in the United States, 866-903-1408 in Canada, and 0800 77 90 15 in the United Kingdom and Ireland. Information is also available at www.tjx.com.

Monitoring Your Accounts

This Credit Union is working with our card processor to identify and monitor any member accounts that may have been affected. Members can use our Online Banking product to check credit card activity at any time. If you suspect that your Credit or Check/ATM Card has been compromised, please call us at once.

Remember that you have no liability for fraudulent card activity as long as you report the fraud to your card issuer.
