

MasterCard Platinum® Continues to be the Best

InvesTex Credit Union continues to offer a diverse range of credit card products that are fair, stable, and fits the membership needs. Whether it's Visa or MasterCard, Regular, Gold or Platinum, all InvesTex credit cards come with a great rate, no annual fees, and additional benefits that help makes life better.

InvesTex credit cards offer a huge value in a market where many other credit cards do not provide for the best interest of the consumer! InvesTex credit cards are strong, stable and extremely fair. Benefits include no annual fee, 25 day grace period, no cash advance fee, same interest rate for cash advances/purchases, no minimum finance charge, online purchase protection, travel and auto insurance, and much more.

The ***InvesTex MasterCard Platinum***® credit card offers the widest range of benefits; including a **7.90%** Annual Percentage Rate. The Platinum card continues to be the most competitively priced credit card InvesTex offers and the rate is not tied to an index. The Platinum card not only offers a great rate; it's a great "Value".

All InvesTex credit cards bring loyalty and strength to both the membership and credit union. Considering the economic environment, InvesTex has managed to continue offering great interest rates on all credit cards. At InvesTex Credit Union, "Value" is a relationship built on Trust!
