

Do You Need A Fresh Start?

Have you been turned down for a checking account?

If you have been declined for a checking account in the past, we have good news. Through a partnership with Consumer Credit Counseling Service, AFCU is making it possible for you to once again take advantage of the convenience and financial freedom of a checking account. All you need to do is contact Consumer Credit Counseling Service (CCCS) and complete their Fresh Start Program. Then bring the certificate of completion to AFCU and we will open* a checking account for you. It's that easy! Contact CCCS today at (800) 355-2227 or visit them at www.cccservices.com for more details.

*Some conditions apply. Contact the Credit Union for complete details.

Feel Overwhelmed With Financial Problems?

If you are having financial problems, rest assured that AFCU is here to help. We understand the struggles that many of you face. That's why we have partnered with Consumer Credit Counseling Service.

They have offices throughout the state and are ready to assist AFCU members in managing debt and getting back on the right financial track. Learn to master the essential skills for successful money management, wise credit use and wealth building. The programs are comprehensive and accredited. You will work with committed, certified counselors who know how to help with your financial problems. AFCU wants to help you with the tools you need to solve money problems and get on the road to financial freedom.
