Directory of Dentists

As of June 06, 2005

Choosing a Dentist

- 1** Select an available General Dentist from this Heritage Directory for each family member.
- 2** List the dentist's name on your enrollment form along with the ID#. Dentists not available to new patients are indicated with an * in place of the ID#. If you are not currently a patient, you may not select these dentists.
- 3** If you are unable to choose a dentist at the time of enrollment, you must call Customer Service on or after your effective date of coverage and select a dentist before you can make an appointment.

Changing Your Selected Dentist

You may select another available General Dentist by calling Customer Service during normal business hours and requesting a change of dentist. (Request must be received by the 20th of the month to be effective the first day of the following month.) Updated directories of available dentists can also be obtained from Customer Service.

Referrals to Specialists

No referrals are necessary.

Missed Appointments

You must give a 24 hour notice to your dentist's office, or you may be charged a missed appointment fee as listed in your Schedule of Benefits.

This directory is subject to change. For updated information, contact Customer Service.
