

MEMBER'S CHOICE GUARANTEED ASSET PROTECTION PLUS 90-DAY FREE LOOK OFFER

PROTECT YOUR VEHICLE.

Recently you decided to protect your vehicle with MEMBER'S CHOICE™ Guaranteed Asset Protection Plus (GAP Plus). You're taking responsibility for your financial future.

PROTECTING THE DIFFERENCE MAKES ALL THE DIFFERENCE.

Sometimes your asset, such as a car, is worth less than what is owed. In the event of a theft or total loss from an accident, your insurance company will only protect the value of the car, possibly leaving you with the balance. GAP Plus may pay the difference, protecting you from owing on a balance, and you could also have \$1000 cancelled on the loan of your next vehicle purchase.*

TRY IT FREE FOR 90 DAYS.

It's nice to have time to think it over. Try MEMBER'S CHOICE GAP Plus for 90 days. Starting on your enrollment date, and for the next 90 days, you can benefit from the security of having GAP Plus. During this time you can cancel your protection by filling out the form located below. Just make sure it is postmarked within 90 days of your enrollment date and we will be happy to refund any fee you were charged. If you're enjoying the protection MEMBER'S CHOICE GAP Plus gives you, you can continue without filling out any paperwork.

If at a later date you determine you no longer need MEMBER'S CHOICE GAP Plus, you can cancel at any time.

*For terms of your contract agreement; up to your policy agreement. GAP Plus cancels \$1000 of your next loan with your credit union when you purchase another vehicle within 90 days of your settlement.

Your purchase of MEMBER'S CHOICE™ Guaranteed Asset Protection is optional and will not affect your application for credit or the terms of any credit agreement required to obtain a loan. Certain eligibility requirements, conditions, and exclusions may apply. Please contact your loan representative, or refer to the Member Agreement for a full explanation of the terms of MEMBER'S CHOICE™ Guaranteed Asset Protection. If you choose GAP, adding the product fee to your loan amount will increase the cost of GAP.
