

## **LOUDOUN CREDIT UNION**

---

### **NOMINEE PROFILES**

*There are two positions available on the Board of Directors; the following nominees are:*

#### **Cindy Mester (Incumbent)**

Cindy Mester was a Loudoun County employee from 1982 to 2005. For the first nine years of employment she worked for the Department of Mental Health and Mental Retardation in various community based residential programs. Subsequently she became the director for the Department of Housing Services. In that role she oversaw the County's homeless programs, rental programs for the low-moderate income households, first time homebuyer programs as well as sewer and septic repair programs. In April 2005 Cindy has been employed with the City of Falls Church as the General Manager of the Department of Community Services overseeing the divisions of Recreation and Parks, the public Library, Court Services and Housing/Human Services; as of September 2006 she became the Assistant City Manager. Cindy holds a BS degree in Therapeutic Recreation from Longwood College and a M.Ed. degree in Community Agency Counseling from George Mason University.

Cindy has been a Loudoun Credit Union (LCU) member for over 13 years, served on the Board for 7 years and has been the elected Board Chair since 2002, having first served two years as Secretary. She is honored to directly support the LCU and continue an active role in enhancing the quality service our members expect and deserve while working to ensure the LCU is financially sound in challenging economic environment.

#### **Robert Hanshew (Incumbent)**

Robert Hanshew has been a Town of Leesburg employee since April 2003, working as a Utility Inspector New Construction. He has provided technical computer assistance to other departments in the Utility's Division and contract administration support to the Accounting Department.

His background includes work with the Virginia Department of Transportation, highway maintenance and Metropolitan Washington Airports Authority, contract maintenance. He is a graduate of the College of Southern Maryland, holding a degree in Engineering Technology, AS. He has been a Loudoun Credit Union member for six years.
