"Ever wondered what makes a credit union different from other financial institutions? Look no further than the annual meeting. The people that attend our annual meeting are the same people we serve every day - not an elite group of stockholders.

Unlike other financial institutions, decisions are made and ballots are cast by the people that use our services - people just like you. At this year's annual meeting, you'll receive first-hand information on credit union business, chat with fellow members over refreshments, and win door prizes.

PLEASE PLAN TO JOIN US!

DO YOU HAVE AN INACTIVE ACCOUNT?

AVOID MONTHLY FEES!

■ What is an Inactive Account?

It's a share (savings) account with a balance under \$250 with no activity for 12 months, including deposits or withdrawals, and no other savings or loan accounts.

■ What happens if my account becomes inactive?

A \$2.50 inactive account fee will be charged to your account each month until you become active again.

■ How can I prevent my account from becoming inactive?

We would rather see you use your accounts than charge the non-active account fee. We'd rather see you take advantage of the savings or loan opportunities at your Credit Union. We have several options to help you grow your savings through interest bearing share savings accounts, share certificates and more. We also are one of the best resources you can use to borrow money more affordably. Discover the great benefits we offer that make doing your financial business with us worthwhile.

Remote Access & eStatements

Remote Access gives you 24 hour convenience with online account access, whenever and from wherever you need it.

Looking for ways to "Go Green?" Sign up for eStatements and instead of checking your mailbox for your statement, get it sooner online.

Check out our website or contact the credit union for more information.
