# TRAVELERS HAS YOU COVERED IN MORE WAYS THAN ONE

We understand your time is valuable. That's why we offer *Benefits Plus*. This program is a convenient way for you to obtain the insurance you need for your car, home and other valuable items. We're not only offering you coverage with one of the most trusted names in insurance – Travelers – we're making it so easy that one transaction will mean you'll never have to write a check again for personal insurance.

## TIME-SAVING CONVENIENCE

**More choices from one source.** With so many fine insurance products available from Travelers, you don't have to search for the protection you need for:

- automobile
- homeowners
- condominium
- renters
- personal articles
- identity theft protection
- personal liability umbrella
- boat and yacht

**No bills, no checks to mail.** You can choose to have your insurance premiums paid through regular deductions from your checking or savings account. We will do it for you – automatically.

## HIGH QUALITY PROTECTION

If there's a loss or damage involving you, your family, your home or possessions, Travelers has the people, resources and services to handle matters for you, so you won't lose time away from work or home.

**Counseling.** A Travelers representative will answer your questions about the different kinds of coverage available. If you need help estimating the value of your personal property or choosing a deductible, you'll receive the insurance counseling you need.

**Responsive claim service.** Rather than an answering machine, you will reach a person who's ready to help you, anytime you call our toll-free Claim Hotline, 24 hours a day, 365 days a year at 800.252.4633 (800.CLAIM33). There are also many Travelers Claim Service Centers around the country. Your claim will be handled promptly, fairly and without hassles.

## EASY ON YOUR BUDGET

Travelers protection is comprehensive and unsurpassed in quality. Of course, you want insurance that's the best, but affordable, too.

**Manageable payments.** Having your premiums deducted from your account spreads out your payments over the entire year for better cash flow. Visit [www.eft.travelers.com](http://www.eft.travelers.com) to sign up for Electronic Funds Transfer today.

**Money-saving opportunities.** Travelers insurance is competitively priced and offers special program rates for credit union members. To make it even more affordable, Travelers offers a wide range of discounts for good driving records, smoke detectors, antitheft and other safety devices.
