

# Change of Address Request

For your security and protection of your account, your signature or electronic signature is required to make address changes. If you have recently moved, please complete and **sign** the Change of Address Request and mail to the address below. Please return this form within 10 business days of your move to ensure you continue to receive mail from us. Failure to do so may result in a No Forwarding Address fee. You may also update your address online by logging into I-Branch Home Banking. (Select Options, then Secure Messaging to send your new address.)
