

## Safe Deposit Boxes

Safe deposit boxes offer a secure space to store important or valuable items, like legal documents. Located inside the secure credit union environment, under the dual control of a two-key system, the boxes are protected by the same security devices that guard the credit union's own assets, giving you peace of mind.

For a small annual rental fee, members can choose a safe deposit box size that fits their needs. Safe deposit boxes can be rented at either the [UIECU First Street Branch](#) at 2201 South First Street, Champaign or at the [UIECU Five Points Branch](#) at 206 East University Avenue, Urbana. Safe deposit boxes are rented through the Member Service Department. Members can gain access to it during normal business hours. A private area is reserved for reviewing the contents.

Why take chances? Enjoy the security and convenience of a Safe Deposit Box for just pennies a day.
