## Local Financial Advisor Named Woman of Distinction

**Champaign, IL** – Jane Brockway, Financial Advisor at the MEMBERS Financial Services Program<sup>®</sup> located at the U of I Employees Credit Union, has been honored by CUNA Brokerage Services, Inc. (CBSI) with a Woman of Distinction Award in recognition of her superior performance, value, and overall contribution to the financial services industry.

Ms. Brockway has demonstrated her commitment to the financial services industry and to the MEMBERS Financial Services mission. Through her role as a Woman of Distinction, Ms. Brockway will participate in a mentoring program offered through the MEMBERS Financial Services Program<sup>®</sup> designed to foster the growth of women in the financial services industry.

Ms. Brockway has successfully grown the U of I Employees Credit Union portfolio to serve over 700 families with over \$30 million under management by her and her team. Key to this ongoing success is Ms. Brockway's ability and dedication to listening to her clients. Ms. Brockway holds between 15 to 20 independent meetings each week with her clients. At these meetings she listens to her clients, answers their questions, and keeps them up to date on their portfolios. Through her efforts, Ms. Brockway has built a loyal following of clients that enjoy her "high touch" style that provides them with someone to listen to them instead of a phone call or email address.

A graduate of the University of Illinois at Springfield, Ms. Brockway has over 20 years of Business Management and Sales experience with AT&T. She has been at the U of I Employees Credit Union since 2003. Ms. Brockway is a Chartered Retirement Planning Counselor<sup>™</sup>, as well as FINRA registered to effect securities transactions and a Registered Investment Advisor Representative.

The MEMBERS Financial Services Program<sup>®</sup> utilizes face-to-face financial advisors to help credit unions meet members' retirement, investment, and insurance needs. Working onsite at credit unions, financial advisors provide members with comprehensive financial services from simple transactions to complex financial planning and wealth management services.
