## Dear Clare:

Dear Clare:

I have to purchase my own school clothes and supplies. Any advice on how to get good deals and save money?

Shiloh

Dear Shiloh,

Shopping is more fun when you get the most for your money. You can learn how to be a great shopper by logging on to **Guides to Independence** at [www.hughesfcu.org](http://www.hughesfcu.org), click on **"Youth & Money"** and **"Guides to Independence"** and select 101: How to Shop for Everyday Savings. In just 15 minutes, you'll learn how to distinguish between wants and needs, identify the type of shopper you are, prioritize purchases and weigh options.

See you at the mall!

Clare

P.S. Remember, you can download a free eMusic® tune when you complete the course. Independent music for independent thinkers on Guides to Independence.
