

# Drive **UP** savings

*Get on the road to higher savings.*

## Get an Auto Loan and a Savings Account!

Everyone wants to save more money. Very few of us find that to be an easy thing to do. That's why we are happy to introduce you to a new way that helps you save. It's the Drive Up Savings account.

It's really very simple. Just make your Auto Loan payments. **That's it you ask?**

### Here's how it works.

When you open an Auto Loan with us, just tell us you want the Drive Up Savings added. If you already have an auto loan with us, let us know that you'd like to start a Drive Up Savings account. Then we'll work with you to determine an additional monthly contribution amount that goes into your savings account.

With each payment, we'll apply the full loan payment amount and put the contribution amount into your Drive Up Savings account. Just think of the savings you'll have by the time your loan is paid off! Make it automatic. Sign up for Direct Deposit and Auto Transfer for your payment—it's safe, easy and convenient.

Just \$20 per month can help you buy your next car and/or save for major repairs. You could use your savings to pay insurance premiums twice a year. Or, talk to us about the many other savings and investment opportunities that are available to you as a member-owner of Hughes.
