Get a fresh start!

Get a second chance with our Primary Checking Account

If you've had problems managing a checking account in the past and are ready for a fresh start, a Primary Checking account at Hughes Federal Credit Union may be just what you're looking for.

Our Primary Checking account offers members who were previously unable to open a checking account an opportunity to build a history of responsible money management at low cost savings. If you have a record on ChexSystems, but your membership and other accounts are in good standing, you may be eligible to open a Primary Checking account.

Opening a Primary Checking account is easy.

Just stop by any of our branch locations and talk with a Member Service Representative during regular business hours or call (520) 794-8341; (800) 253-8245. We will be happy to work with you.

You qualify for a Hughes Primary Checking account:

- Once all monies owed to ChexSystems have been paid
- After you read and complete our simple Checking Account Fundamentals Education program and test your knowledge
- All your Hughes loans and credit cards are in good standing, and
- You pay any necessary account fees

Hughes Primary Checking account offers:

- No minimum balance
- No per check fee
- Unlimited check writing
- ATM card
- FREE Online Banking and Check Images
- Unlimited use of Hughes ATMs
- Direct Deposit
- \$10 monthly service charge

Primary Checking benefits:

Value—With Primary Checking, unlimited check writing and withdrawals are included in the \$10 monthly fee. There is no minimum balance to maintain and no per check fees. Maintain your account in good standing for six months and you may qualify for a \$500 line of credit loan.

Convenience—You'll have access to your funds 24 hours a day with your Primary Checking. Simply write a check, use your ATM card to get cash, use our 24-Hour Voice Response System at (520) 205-5555 to conduct transactions, or use our free eBranch online banking at www.hughesfcu.org to check your balance, verify a deposit, transfer funds and more.

Easy Recordkeeping—Keeping track of your Primary Checking account is easy thanks to duplicate checks, our 24-hour services, and your easy-to-read monthly statement available by mail or eStatement. You can also view and print copies of your cancelled checks with eBranch online banking.

A Second Chance—Managing your Primary Checking account can be the first step in establishing a record on financial responsibility. To help you on your way, members are required to complete a ten minute Checking Account Fundamentals Education Program to help ensure your success. Once completed, your account will be opened. After 12 months of satisfactory account activity, the account can be upgraded to our Free or Premier Checking account.
