RULES AND CONDITIONS APPLICABLE TO ROLLOVERS

GENERAL INFORMATION

A rollover is a way to move money or property from one HSA, Archer MSA, Health FSA or HRA to a HSA. The Internal Revenue Code (IRC) limits how many rollover contributions may be made, how the transaction must be completed and how the Trustee or Custodian must report the transaction. By properly completing this form you are certifying to the Trustee or Custodian that you have satisfied the rules and conditions applicable to a rollover and that you are making an irrevocable election to treat the transaction as a rollover.

HSA OR ARCHER MSA ROLLOVER REQUIREMENTS

1. Timeliness
The funds you receive from the distributing HSA or Archer MSA must be deposited into a HSA within 60 days after you receive them. When counting the 60 days, include weekends and holidays. Receipt generally means the day you actually have the funds in hand. For example, the 60 days would begin on the day following the day you pick up the check from the Trustee or Custodian or you receive the check in the mail.

2. Twelve Month Restriction
Only one rollover contribution may be made to an HSA during a one-year period.

3. Eligible Plan
A distribution will not be eligible to be rolled over unless that distribution is made from an eligible HSA, Archer MSA, Health FSA or HRA.

HEALTH FSA OR HRA ROLLOVER REQUIREMENTS

1. Direct Rollover Restriction
A rollover from a Health FSA or HRA must be done as a direct rollover and is not subject to the 60-day time restriction.

2. Eligible Amount
The amount that may be rolled over from a Health FSA or HRA is limited to the lesser of the balance in the Health FSA or HRA (1) on September 21, 2006, or (2) as of the date of distribution.
