

## JOANNE JOLIN

With over 14 years in SBA lending experience for small businesses in Florida and on a national level, Joanne Jolin, Vice President, SBA Loan Specialist has the knowledge and experience to help you with your small business borrowing needs. In addition, she has a 30 year banking background that includes loan operations and loan closing, a benefit to clients looking to work with a seasoned loan professional who knows the entire loan process.

Joanne has extensive knowledge of the Small Business Administration 7a and 504 Loan Programs and can handle complex loan structures to meet the needs of all involved parties. Some of the types of financing she offers include business acquisitions, commercial real estate purchases, construction and refinances, partnership buyouts, equipment purchases and medical professionals.

Joanne has earned various certifications in lending over the years. She is a member and has served for the past three years on the Steering Committee of Small Business Resource Network, Orlando Chapter and is an active member of CREW (Commercial Real Estate Women) Orlando.

Let Joanne help you with your small business needs. Put her knowledge and experience to work for you by contacting her today! You will enjoy the professional, friendly service that Joanne specializes in.
