

“Bucking National Trend, RFH Bank Opens New Branches”

“While major banks across the country are cutting jobs and closing branches, [the] Rumson-Fair Haven Bank is expanding.” (Fennell, “Bucking National Trend...”, The Two River Times, Volume 19, Number 18, Week of February 13-20, 2009).

We are pleased to announce the opening of two new branches of Rumson-Fair Haven Bank filling a banking need in both areas. Both are full service branches offering loan and deposit products, as well as 24 hour, walk-up ATMs.
