

VAU OPT-OUT REQUEST FORM

VISA Account Updater (VAU) is a mandated VISA account updating service in which your NCCDEFUCU VISA Debit and Credit Card(s) are automatically enrolled. When your card(s) expire, are lost, or stolen and new cards are issued, the VAU service may update relevant card data (card numbers and expiration dates only) to appropriate merchants who participate in VAU. This service provides updates to a VISA database only. The database is accessed by those qualified merchants seeking your account information after you have requested they process a recurring payment or payments. This service is provided to help facilitate uninterrupted processing of your recurring payments. Since this is mandated by VISA and not NCCDEFUCU you have the right to Opt-Out of the VAU service simply by completing this form and/or sending us an email stating your intention to opt out. Your signature is required for verification purposes.
