“Ms. Bone is the epitome of a 2nd mile teacher. Her business classes are organized and well-disciplined. She also sponsors the schools yearbook and all band auxiliaries. Ms. Bone’s groups include FBLA, yearbook, Auxiliaries and she also volunteers for numerous charity activities such as March of Dimes Blue Jeans for Babies, Calera Act of Kindness, clothing drives, and others. In addition, to all of this, she also teaches lessons about dinner etiquette, interview skills, and other valuable life lessons. Finally, in adding to this, Ms. Bone serves as technology chair and School Improvement team member, School Leadership team, and as a mentor for other teachers.
