Beware of Scams

- 1) **Don't open emails that you don't know where they came from. These emails can take hold of your computer and hold it hostage. It takes time and money to get your computer cleaned up.**
- 2) **Don't use gas pumps if the seal is broken. If the seal is broken there could be skimmers on the machines and this will steal all your credit/debit card information.**
- 3) **Don't fill in all your personal information on the computer unless you know the source!**

We would like to welcome Kate Haiar to the Midwest Team. Kate started in February. She use to work at Younkers. Kate has an adorable 1 year old boy named Isaiah. Welcome Kate!!
